Terms, Notes and Conditions:

1. For more fan systems, please request a specific price quotation.
2. All prices are in AED unless specifically mentioned, and are subject to change without further notice.
3. Shipping/logistics costs are excluded.
4. Any additional costs arising from damage or if cleaning or rearranging is needed are excluded.
5. The rental fees stated above exclude VAT, where UAE's 5% VAT shall be paid by the customer.
6. Fees specified above have been calculated based on the moment of pick-up and return by the customer, regardless of non-working days and office closures.
7. The systems consist of System Model-3 series fans with average calibration, sufficient frame along with the cloth door, gauge DG-1000 (with standard TEC calibration) as well as the necessary cables and accessories.
8. Equipment with NFPA compliant calibration (suitable for Enclosure Integrity Testing) can be arranged after contacting us.
